

This announcement is to let you know that a variety of topics are being planned. There are a couple dates that have been confirmed and further details will be forthcoming,

So Save the Dates for the following:

**Tuesday February 28, 6:00 pm to 8:00 pm at the Warwick Public Library
Topic: Project Endeavor. This is a federally funded program under the Communication Services for the Deaf (CSD). This program focuses on empowering the Deaf and Hard of Hearing by providing up to 50% discounted mobile devices such as the Ipad 2, computer netbooks, mobile phones and tablets and provide financial assistance for those who do not have internet services. Robert Dunn who is the New England Outreach Specialist will be the presenter.**

**Saturday, March 10th, 2:00 pm to 4:00 pm at the Warwick Public Library.
Topic: Using Captioning and Subtitles using Internet Video Streaming such as Hulu, Netflix and other different devices such the computer, Ipad etc.**

James Litvack will give us his personal experiences on this topic.

Future topics include but have not confirmed speakers:

- 1. CaptionCall telephone- A Sorenson product and alternative to Captel**
- 2. Panel of Cochlear Implant users- to discuss their experiences of making the decision to be implanted, and their adjustment with the rehabilitative and mapping process.**
- 3. Safety Tips from a former Chief of Security Services at Bryant University.**
- 4. Trinity Play and dinner following the Sunday Performance (May)**
- 5. HLAA Convention in June!!!! Check on the convention website on www.hearingloss.org**

And keep giving me more suggestions!!!
