

Deaf Community Forum

- Ever felt that research projects are not Deaf-friendly?
- Want to share how you feel about research projects?
- Want to tell hearing researchers how they can make their research projects more Deaf-accessible?

Come to a **Community Forum** near you!

Saturday, October 8th

1:30 - 4:30 p.m.

The Learning Center for the Deaf

848 Center St., Framingham, MA

Saturday, October 15th

12:00 - 3:00 p.m.

Rhode Island School for the Deaf

1 Corliss Park, Providence, RI

Saturday, November 5th

1:30 - 4:30 p.m.

Center for Living & Working (CLW)

484 Main St., Worcester, MA

Community Forum goals:

- Involve more Deaf individuals in future research projects
- Make future research projects more Deaf-accessible
- Train hearing researchers about how to work more effectively with the Deaf community

Please check out our **ASL vlog** for more information: <https://youtu.be/D2UoRh88iXQ>

Light refreshments will be provided.

ASL interpreters will be provided. If you need other accommodations (e.g., CART, interpreters for the DeafBlind, etc.), please contact Melissa Anderson at UMass Medical School at **(508) 502-7666 (VP)** or by e-mail at melissa.anderson@umassmed.edu at least two weeks in advance.
