RI School for the Deaf - Athletics

December 2011

Dear Colleague:

On Friday - Sunday, February 17-19, 2012 the Eastern Schools for the Deaf Boys Basketball Division II tournament will be held at Rhode Island School for the Deaf in Providence. Our students, families and staff are very excited to host this event this coming February 2012.

Eight schools for the deaf will participate in the basketball tournament – with 80 deaf athletes and 25-30 coaches, managers and staff, who will gather at the gym on Friday evening, Feb 17th to Sunday, Feb 19th.

We are asking for your support in sponsoring the 2012 ESDAA Boys Div II basketball tournament. Financial support is needed to provide hotel, dinner and lunch, as well as refreshments for the social gathering on Friday night for up to 120 athlete-students and staff.

Enclosed is a form for you or your company to place an advertisement in our program book or, if you prefer, a monetary donation or donation of food/refreshments will be greatly appreciated. You can set up the booth during the tournament.

Please also consider this request as an open invitation for you to come and watch our amazing deaf athletes compete in this exciting tournament event.

Sincerely,

Kelly Butterworth
RISD Athletic Director

Rhode Island School for the Deaf - Athletics
