

Free Seminars- Simple Solutions for Persons with Hearing Loss

- Learn about the latest technology – hearing aids, amplified phones, CapTel phones, cochlear implants, captioning, hearing assistive technology, and more – all to help you live better with hearing loss.
- Learn about supportive organizations where people with all degrees of hearing loss come together to share and learn and where it's okay not to hear well.
- Talk with others who have hearing loss.
- Learn about advocacy and the laws that protect you, and find out about local resources.
