# Hearing Loss Association of America Rhode Island Chapter Meeting

Saturday, November 10, 2012  
10:00 am

Rhode Island Parent  
Information Network (RIPIN)  
1210 Pontiac Ave.  
Cranston, RI 02920

Join us with Jeanne Fredriksen, M.Ed, CED, from MED-EL, who will speak at the November 10 meeting about the most current generation of implantable hearing devices. She'll discuss who qualifies, and how these devices can help. She will also touch on the rehabilitation process.

Jeanne Fredriksen M.Ed., CED, is a Senior Consumer Outreach Manager from MED-EL Corporation. Jeanne is a retired Special Ed. Director and Principal of an Oral School for the Deaf. She has over 35 years working in the field of hearing loss. In her role with MED-EL, she travels the Northeast region helping others to learn about new technology and rehabilitation materials that are available for those with all levels of hearing loss.
