

BLOOD DRIVE

Dedicated to Kelly Butterworth
Give the gift of life this holiday season!

Battling cancer for the second time, Kelly Butterworth tries to approach each day with as positive an attitude as possible. As she goes through chemotherapy, she knows that at some point in her treatment, surgery may be required, and she likely would rely upon an available and safe blood supply.

Donating blood at the School for the Deaf Blood Drive, dedicated in Kelly's honor, will assure that blood is available for someone who needs it, and, as Kelly says, to have "the ability to know that you're going to save a life."

At our Blood Drive, you can also:

Register for Be the Match

Every day, thousands of patients with leukemia and other life-threatening diseases hope for a marrow donor who can make their transplant possible. Seventy percent of patients do not find a suitable match within their family. They depend on people like you. When you join the Be the Match Registry, you become part of every patient's search for a donor. You have the power to heal, the power to save a life. Take the first step. Join the Registry.

Get a Hearing Test!

People of any age can be screened for hearing loss. As you get older your hearing can gradually decrease, get your hearing tested today!

Donate Food to the RI Community Food Bank

The Rhode Island Community Food Bank works to end hunger in our state by providing food to people in need. Bring a non-perishable food item and help support families in your community during the holiday season!

Eat Pizza!

Refreshments will be provided to all that attend!
