Cruise To/From Martha's Vineyard

Motorcoach Transportation Provided by Conway Tours

*Departing from Woods Hole, MA, take pleasure in a delightful cruise on the shimmering waters of Nantucket Sound. As we pull into Vineyard Haven we will step back in time to a more leisurely pace. There will be time on our own for lunch and to explore the diversity of the six island towns. Take long walks along the pristine shores; browse through numerous gift shops; dine at one of the many Island restaurants offering irresistible dishes for every palate; visit the famous Flying Horses Carousel; view Oak Bluffs' brightly painted "gingerbread" cottages—all this and so much more! A pleasant sail back to the mainland and a relaxing ride home will complete an enjoyable day.*
