MAY 5 – JUNE 5, 2016 • Rodgers & Hammerstein's *Oklahoma!*

*music by Richard Rodgers • book & lyrics by Oscar Hammerstein II
based on the play Green Grow the Lilacs by Lynn Riggs

At the turn of the 20th century in the western territories, cowboy Curly vies with mysterious farmhand Jud for the heart of Laurey, the woman they both love. Packed with humor, romance, square dances and an unforgettable score, *Oklahoma!* is a portrait of the naiveté and complexity of the pioneers.
